In addition, if the consumer is able to demonstrate that the costs of arbitration will be prohibitive as compared to the costs of litigation, VSP Optics Group will pay as much of the consumer’s filing and hearing fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive; and (9) with the exception of subpart (6) above, if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, or otherwise conflicts with the rules of JAMS, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable, illegal, or conflicting provision were not contained herein. If, however, subpart (6) is found to be invalid, unenforceable, or illegal, then the entirety of this Arbitration Provision shall be null and void, and neither entrant nor consumer shall be entitled to arbitrate their dispute.
